Dr. Eike-Henner Kluge, University of Victoria

Dr. Sandra Tomsons, Dalhousie University

Dr. Bruce Morito, Athabasca University

Dr. Jim Gough, Athabasca University

Have you ever wondered if your academic training has value in
 the ‘real’ world? Do you have the urge to engage *in* practical
 ethics work and not just write about it?

This panel brings together experts with extensive and varied
 experience doing consulting and other practical ethics work in
 Canada and internationally. Panelists will discuss how to
 recognize opportunities to ply your trade beyond academia and
 have a positive impact outside of the classroom.
